Coonara Warranty

All current Coonara gas heaters are warranted to be free from defects in material and workmanship under normal use and service. The warranty of the actual firebox and heat exchanger is 5 years - to the initial purchaser. All other components (except accidental breakage of door glass) are warranted for a period of 24 months. Coonara gas log fires are designed and tested for use with Coonara manufactured flue kits. For the full warranty statement, refer to the Shamic Sheetmetal (Aust) P/L website (www.shamic.com), the product installation manual, or your Coonara dealer. Shamic goods come with guarantees that cannot be excluded under Australian Consumer Law. The purchaser is entitled to a replacement or a refund for a major failure and compensation for any reasonably foreseeable loss or damage. The purchaser is also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

Note: All Coonara heaters must be installed by our authorised installer to be covered by our warranty statement.

***IMPORTANT:** Heating areas provided are based on open plan living areas and 2.4 metre ceiling height. **Note:** Lack of insulation, large window areas and cathedral ceilings reduce heating effectiveness.

THERMOSTAT CONTROLLER

- Ability to control room temperature and LED lighting.
- Programmable heating levels to enhance comfort control.
- Large easy to read backlit LCD screen.
- Powered by 2x AA batteries for approximately 12 months of operation
- Full seven-day program capability
