

The Warmest Aussie Legend

THE MOSMAN & YARRA GAS FIRES

DESIGNER SERIES RANGE

MOSMAN

LOGS & PEBBLES

MOSMAN

PEBBLES ONLY

The Mosman has been in a class of its own since joining the Coonara family. With its panoramic view it has all the charm and romance you would expect from an Australian made Coonara heater. Top Image: Pictured with our logs and pebbles media together with our black mirrored glass, and 40mm trim as standard. Bottom Image: Pictured with all pebbles media with optional high res mirrors and 40mm trim. Front Page Image: Pictured with ember bed and logs media with black 20mm trim as standard.

Up to 4.7
star energy rating
(Short flue)

MOSMAN GLASS MEDIA

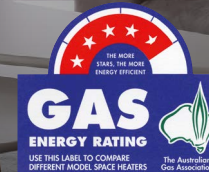

The Mosman glass media heater has LED lighting allowing the user to set the heater to 12 different colour options.

MOSMAN EMBERBED

The Mosman will add style and elegance to any living area, with its realistic flame patterns and the cosy heat being circulated by a quiet 3 speed fan. Top Image: Pictured with glass media, optional high res mirrors and 40mm trim. Bottom Image: Pictured with emberbed and logs, black mirror glass with 40mm trim as standard features.

Tested and approved

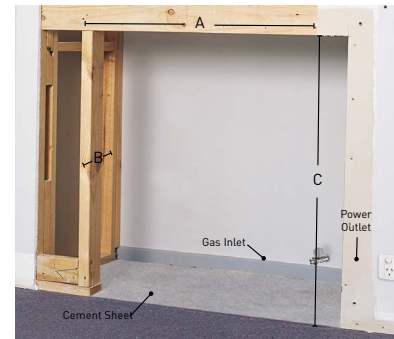

Tested and approved to the most stringent quality standards for safety and efficiency. IAPMO approved. Certificate No. GMK10272-01.

Coonara Warranty

All current Coonara gas heaters are warranted to be free from defects in material and workmanship under normal use and service. The warranty of the actual firebox and heat exchanger is 5 years – to the initial purchaser. All other components (except accidental breakage of door glass) are warranted for a period of 24 months. Coonara gas log fires are designed and tested for use with Coonara manufactured flue kits. For the full warranty statement refer to the relevant Installation Manual or our website www.coonara.com.au or from your Coonara dealer. Shamic goods come with guarantees that cannot be excluded under Australian Consumer Law. The purchaser is entitled to a replacement or a refund for a major failure and compensation for any reasonably foreseeable loss or damage. The purchaser is also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

Note: All Coonara heaters must be installed by our authorised installers to be covered by our warranty statement.

FRAMING SPECIFICATIONS NO FIREPLACE NECESSARY

	MOSMAN	YARRA
A)	1255mm	1015mm
B)	560mm	560mm
C)	890mm	1225mm

- Gas Inlet to be 1/2" FEM BSP
- Power Outlet right hand side
- Cement Sheet required (for flat level base)

THERMOSTAT CONTROLLER

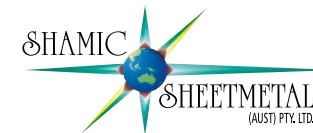

- Ability to control room temperature and LED lighting.
- Programmable heating levels to enhance comfort control.
- Large easy to read backlit LCD screen.
- Powered by 2x AA batteries for approximately 12 months of operation
- Full seven-day program capability

*** IMPORTANT: Heating areas provided are based on open plan living areas and 2.4 metre ceiling height. Note: Lack of insulation, large window areas and cathedral ceilings reduce heating effectiveness.**
